Maria Peña, Kindergarten Teacher

Maria Peña, a resident mom, has been helping with the H.I.S. BridgeBuilders' Children Program for more than 3 years. She volunteered for a year and has been on payroll for almost 2 years.

Maria has 5 children, four of whom live in our neighborhood: Tamika, Martin, Edward, and Carmen. Anissa is currently living with her aunt. Maria and her children are pictured at right.

Maria is a diligent, hard working Mom. Her children generally have perfect attendance at school and are making good grades. She is a wonderful partner for Norma Duran who leads our kindergarten and first grade children. Maria is the kind of servant of the LORD who cheerfully does whatever she is asked to do. She often volunteers for the hardest work and accomplishes all she does with excellence. Thank you, Maria, we love you!!

Work Has Begun!!

H.I.S. BridgeBuilders is thankful to the LORD for the skilled workmen that he has sent to begin the effort to construct a house to be used for children at 339 Gabriel in the Wheatley Courts area.

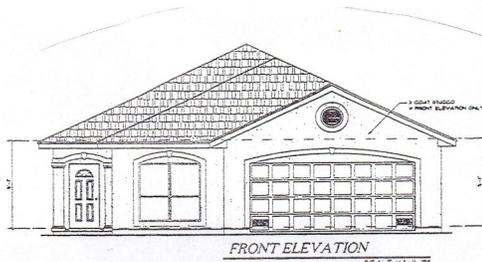

At this time we want to thank Dora-zio Enterprises, Jim Parker and Sons, and Urban Concrete as they work on the foundation for the house. We also thank John Farrow and Jean Blount. All of these folks have given generously of their time and talent to plan and to organize this work.

We also want to thank donors who have given over \$6,000 to the building this month.

We acknowledge that without the LORD and these servants He has sent we could do nothing.

Please continue to pray. There is much to be done.

Pray for the building, for the golf

tournament to benefit the construction of this house.

Give the LORD thanks for these who have already partnered with us and pray for those whom He will send as time goes on.

Most of all pray for the children of the neighborhood who need to know the love and compassion of the LORD. Pray for their families who have lived in darkness for so long. Ask God to send the light of His love and a great revival into this part of our city.

“The LORD is our strength and shield, our hearts trust in Him, and we are helped.” Psalm 28:7

Next Block Party 22 November: Vision Screening, Thanksgiving Food Baskets

This month's block party will feature Thanksgiving food baskets for residents. The baskets will include a frozen turkey breast, a frozen pie, canned goods and bread so that the family can cook the dinner at their convenience.

Dr. Alan Baribeau will again offer free vision screening to all of our neighbors who need this service. We are grateful to Dr. Baribeau and his staff for their continued

help and support. This will be a Community Bible special outreach event. We rejoice to give the LORD thanks by sharing with our friends!!

Thanksgiving 2013

Give Thanks to the LORD for He is good. Psalm 118:1
